Visit our website to see a gallery of the beautiful homes we have built. Then give us a call to schedule a consultation about building your dream home.

“We knew we got a quality product much quicker and at a better cost than our neighbors.”
-- Justin and Jeanna Jette

“Our home is beautiful and came out just the way we had envisioned it.”
-- Liz and Harry Brunner

Whether you are looking to build a large, palatial masterpiece or a smaller, finely crafted custom home, we can help you create your ideal new home. At Homes by Donahoo, we are completely intent upon ensuring that our clients are delighted with their house. We are confident that you will be impressed with the excellence inherent in our work, regardless of price range. The loyalty of our dependable subcontractors and vendors speaks volumes about our quality of product and fairness. And, our homeowners are still friends with us when their home is finished!
